Company Profile

Mehran - The first choice Worldwide !

Introduction

"Mehran Spice & Food Industries"
Started its journey in 1975 as a food processing & packaging industry.
Within a few years of its inception, it has blossomed into a successful business house and a leading spice and foods manufacturer across the world.

Thanks to automation technology our processing and packaging is virtually untouched by human hands. Winning National & International awards are proof of MEHRAN'S commitment to excellence.

CERTIFICATION

System & Certification

Halal Certification:
Mehran products are Certified by Shariah Advisors and meets the Shariah (Islamic Laws) requirements of our Muslim Consumers.

PSQCA Registration:
Mehran is awarded by number of PSQCA licenses for maintaining higher quality standards.

QMS ISO 9001: 2015:
ISO 9001 is the international standard that specifies requirements for a quality management system (QMS). Mehran use the standard to demonstrate the ability to consistently provide products and services that meet customer and regulatory requirements.

US FDA Registration:
Mehran is registered in US FDA.
U.S. FDA Registration No.: 12447353054

FSSC:
The FSSC 22000 Food Safety System Certification provides a framework for effectively managing food safety responsibilities. FSSC 22000 is fully recognized by the Global Food Safety Initiative (GFSI) and is based on existing ISO Standards. It demonstrates Mehran has a robust Food Safety Management System in place that meets the requirements of our customers and consumers.

BRC:
The BRC Global Standard for Food Safety is developed by food industry experts from retailers, manufacturers and food service organizations to provides a framework to manage product safety, integrity, legality and quality, and the operational controls for these criteria in the food and food ingredient manufacturing, processing and packing industry.
Our 8 production lines are certified by BRC Global Standard for Food Safety.
